Determination of Current Magnetic

Specification:

NO	Name	Quantity
1	Current magnetic tester (attached adjustable steady laser base x	1set
	1, direct current rod x1, spirally adjustment copper column	
	×2, optical measurement ×1)	
2	square current balance	1set
3	set of weight	1set
4	5A limiting current power supplier (attached power cord x	2pack
	1, banana plug wire x2)	
5	Banana plug wire	1set
6	Red laser (attached DC3V power supply)	2set
